

TPMS

TPMS is wheel sensors that provide tyre pressure and temperature data directly to the driver and TIP Telematics

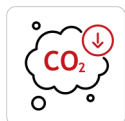

FEELING THE PRESSURE? NOT WITH TIP TPMS

Detect tyre problems
before a major
incident occurs

Enhance fuel
efficiency

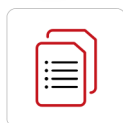

Reduce CO₂
output

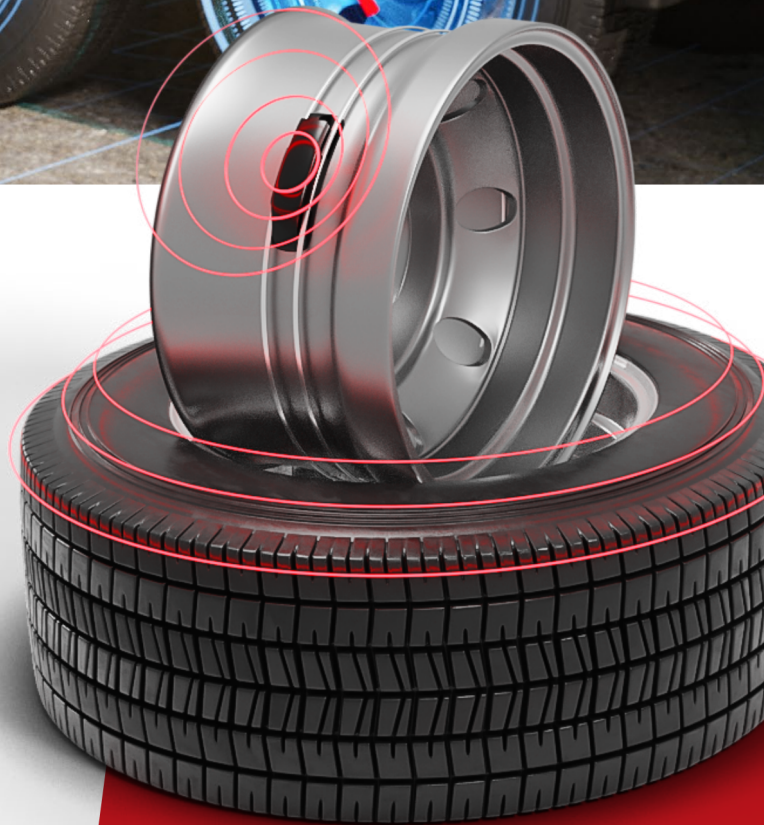

Increased
fleet uptime

Improved
road safety

Trailer compliance
UN-ECE R141

**TPMS is included in the
TIP Telematics package!**

All trailer telematics data in one place

Unlock **TPMS** today!
